Java & OOP

1. Introduction

About me

- Bala(subramanian) Sundarasamy

- Doing Java for 20+ years

- Trained a lot of fresh engineers

- Tried a Java blog in Tamil

Why this?

- Sea of Java developers

- Difficult to find real knowledge

- Lot of video tutorials (effective?)

- Share the learnings

- Specific for Tamil speaking learners

What is not covered?

- Java Story

- Basic syntax (conditions & loops)

- Solving procedural problems

What is covered?

- Classes

- Class patterns

- Inheritance

- Interface

- Few design patterns

- OOP all along

Next (Or First)

Basics of Java Classes
